

# The Eagle and the Wolf

There is a great battle that rages inside me.

One side is the soaring eagle.

Everything the eagle stands for is good and true and beautiful, and it soars above the clouds.

Even though it dips down into the valleys, it lays its eggs on the mountaintops

The other side of me is the howling wolf.

And that raging, howling wolf represents the worst that's in me.

He eats upon my downfalls and justifies himself by his presence in the pack.

Who wins this great battle?

The one I feed.

*Lesson: Show your good side more often than your bad*
